Sir,

Sub: Political Agitation-Security prisoner-D.Rami Reddy-Application for family allowance and transfer to 'A'-class.

p 2 ante Ref: Government endorsement No.63131-1 Public(General)Department dated 24-12-42.

D.Rami Reddy has no property either moveable or immoveable. He was unemployed immediately before his detention. For some time in 1936-37 he was employed in the Sugar Factory at Hospet on Rs 20/- a month. His family consists of his wife and an old father. He never maintained them while he was at large.

2. His family including himself was entirely depending on his mother-in-law of Rekatla village of Rayadrug Taluk, whose annual income is Rs 250/-

6

from her landed property of 35 acres. Even now she is free to support Rami Reddy's wife and father, if she chooses.

His family is helpless, but for the good-will and support of his mother-in-law who has also to maintain another unmarried daughter. An annual income of Rs 250/- is hardly sufficient for them to make two ends meet, now that the prices of food stuffs have risen so high. I consider that this is a case of 'absolute and proved necessity' and recommend that the Government may be pleased to grant an allowance of Rs 20/- per month to his wife and father.

As far his request to transfer him to 'A' class, he comes of an ordinary family and I do not consider that he deserves it.

(C) 2. I invite your attention to Confdl.Govt.,Memorandum No.29342/40-16 dated 12-3-41. Security prisoners have been divided into classes I and II according to their state of health,their education,status and mode of living before arrest. It is stated that District Magistrates should invariably specify the class in which the persons concerned should be placed when submitting proposals for detention. In the present case no proposals for detention were submitted as I exercised the powers vested (A) in me in G.O.Ms.2034,Public(War)Department,dated 10-7-42. In view of the poor status and mode of living before arrest, the Superintendent Central Jail,Vellore,was asked by me in the warrant of commitment that he should be detained in Class II. The detenue would have been placed

in class 'C' had he been convicted an sentenced to imprisonment in the normal way. I request that my action in asking the Superintendent of the Jail to detain the prisoner in Class II may be approved.

The detenu was himself earning only Rs 20 a month in 1936-37. He was unemployed immediately before his detention. The D.M. has stated that the detenu was not maintaining, while unemployed, his wife and father who were entirely dependent on his mother-in-law. He has at the same time observed that the mother-in-law's income of Rs 250 per annum is hardly sufficient to support herself and another unmarried ~~girl~~ daughter in view of the increase in the prices of foodstuffs. Having regard to the circumstances of the case, it seems to sufficient to grant a family allowance of Rs 10 p.m. in lieu of Rs 20 p.m. recommended by the D.M. For orders.
